

Orthopedic Surgery Center of Palm Beach County Out of Network Disclosure

Orthopedic Surgery Center of Palm Beach County does not participate with your insurance carrier. The Surgery Center will bill your insurer. Your insurer may apply different benefits based on the Surgery Center's out of network status. The Surgery Center does not control that process and cannot tell you what your available benefits may be. Out of network benefits may apply to this claim.

Prior to Surgery you will be provided with an estimate of the billed charges from the Surgery Center's charge master to be submitted to your insurance carrier. These are for Gross Charges for the facility only and do not reflect any discounts or contractually negotiated adjustments. Additional charges will be billed separately by the physician, anesthesia, laboratory and DME.
